

Hospitality Committee Annual Report 2020

Hospitality Committee awaits the end of the COVID-19 pandemic and looks forward to meeting in person again. During this difficult time, we have donated all the remaining food supplies in our vault and freezer to groups and individuals who could use them. We have twice cut our budget, returning unneeded moneys back to the Meeting general fund for more pressing needs. We stand ready to begin again supplying Simple, Simple meals and a place for fellowship, in person, when we can safely gather together again. We are planning to ask Members and Attenders to try to bring something small from our individual homes each First Day to share for Simple Lunches, in the spirit of the story of the Loaves and Fishes. In this small sharing, we hope to strengthen our feeling of The Beloved Community. We also invite anyone so led to join us. We are a quiet committee, but a useful one.

Respectively submitted,
