Are you open to guidance and support, and do you give thanks for them? Do you share your spiritual insights with others and willingly receive from them in return?

We know ourselves as individuals but only because we live in community. Love, trust, fellowship, selflessness are all mediated to us through our interdependence. Just as we could not live physically without each other, we cannot live spiritually in isolation. We are individually free but communally bound. We cannot act without affecting others and others cannot act without affecting us. We know ourselves as we are reflected in the faces, action and attitudes of each other.

Janet Scott, 1980
