Faith and Practice of Baltimore Yearly Meeting, the Third Query: *The Meeting Community*
Are love and harmony within the Meeting community fostered by a spirit of open sharing? Do you endeavor to widen your circle of friendships within the Meeting, seeking to know persons of all ages and at all stages of the spiritual journey? Does the Meeting provide for the spiritual refreshment of all members and attenders? Do Friends provide spiritual and practical care for the elderly, the lonely, and others with special needs?

We shall some day be heeded, and when we shall have our amendment to the Constitution of the United States, everybody will think it was always so, just exactly as many young people believe that all the privileges, all the freedom, all the enjoyments which woman now possesses always were hers. They have no idea of how every single inch of ground that she stands upon today has been gained by the hard work of some little handful of women of the past.
