Faith and Practice of Baltimore Yearly Meeting, the First Query: **Meetings for Worship**
Are meetings for worship held in expectant waiting for Divine guidance? Are Friends encouraged to share spiritual insights? Are special gifts of ministry recognized and encouraged? Do you come to meeting with heart and mind prepared? Are you careful not to disturb the spirit of the meeting by late arrival or in other ways?

A major tenet of Quaker spirituality is the belief that leadings are the single most important way that God is potentially present in our lives...Whatever the outward results of our leadings, they always demand from us spiritual growth, and even transformation... Only when we are willing to put ourselves in situations beyond our own power to control can the transforming power of God become fully manifest in our lives.
