Faith and Practice of Baltimore Yearly Meeting, the Second Query: **Meetings for Business** Are meetings for business held in a spirit of worship, understanding, and forbearance? When direction seems lacking, is this seen as a challenge to a more prayerful search for truth? Do we humbly set aside our own preconceived notions as to proper action, seeking instead Divine guidance as to the right course? Is the Meeting aware that it speaks not only through its actions but also through its failure to act? Do you participate regularly in meetings for business, discharge faithfully your committee responsibilities, and assume your share of financial support of the Meeting?

The foundation of community is truthfulness and love.
Seeking for the Seed in each other is as crucial as
seeking it in the world, and laboring by long-suffering
and resoluteness to liberate it wherever it is oppressed.
